I. Definitions

Mighty men-(Hebrew word-ghib-bore' ghib-bore)-warrior, champion, valiant man

Valor-(Hebrew word-chayil)-a force; whether of men, means, or other resources. An army, wealth, virtue, strength, valiant.

II. 6 Characteristics of a Mighty Man of Valor

a. **Faithful/Loyal**-His dependability is unquestionable, and displays a high level of servitude to God as well as to man.

b. **Accountable**-He submits himself to those who have charge over him as well as those who he has charge over. He understands that all of his actions are being watched, and he affects others directly and indirectly.

c. **Respectable**-He is well spoken of by those that have knowledge of him. This is in a local as well as global sense.

d. **Teachable/Trainable**-He is aware that no matter how much learns, he never loses the title of a student. His own ignorance before God keeps him humble.

e. **Proactive**-He sees a problem/task and formulates a plan to solve or overcome it. He moves into action instead of waiting to be instructed.

f. **Diligent**-He is untiring in terms of mission accomplishment. The completion of the task at hand overrides his conditions and circumstances. He isn't swayed by the winds of convenience.
